

# Sunpak PF30X Digital SLR Flash

## Highlights

---

The Sunpak PF30X flash is the perfect accessory for today's digital SLR cameras. For great contrast and bright colors, the PF30X provides the power and flexibility that you need to make a great DSLR camera even better. With a five position bounce head images come out with a more pleasing light and illuminations without harsh shadows. Another great feature of the PF30X are the +/- EV adjustment buttons for greater control of the light output. Other features include a built-in AF assist light and a power saving standby mode which automatically shuts down the flash after 5 minutes of inactivity.
