NEW SUNPAK 2800 DUAL PANEL SOLAR CHARGER PERFECT FOR POWERING ANY USB DEVICE

Charge via the Sun to Power USB Devices

PMA 2010, Anaheim, CA - ToCAD America inc. announces its new Sunpak 2800 Dual panel solar charger with 2800mAh of power for powering just about any USB device. The 2800 Dual panel solar charger is perfect for charging on the go, anytime and anyplace. The 2800 Dual panel will be on display at PMA 2010, February 21 – February 23 at the Anaheim Convention Center, **Booth 2258**.

Go Green with the Sunpak SC-2800 Dual panel 2800mAh charger by harnessing the power of the sun for all your USB devices; cell phone, iPod, PDA, GPS, MP3 Players and games. The SC-2800 Dual panel solar charger can charge all your USB devices over and over using sunlight or USB power source. Its small size and shape makes it great for traveling, camping and on the go. Never be without USB again. It has power to spare with a 2800mAh lithium-ion and with its built-in flashlight you will never be in the dark. And you will always know it is ready to go with its LED status indicators lights!

Features:

- The perfect USB charger that uses the power of the sun
- Dual solar panels for extra power
- Great for traveling and on the go
- Compact take-anywhere design

- Never be without USB power again
- High-powered 2800mAh lithium-ion battery
- Built-in flashlight
- Standard USB connector
- Rubberized non-slip surface.
