NEW SUNPAK DOUBLE AA SOLAR CHARGER PERFECT FOR CHARGING AND POWERING

Charge up to 2 AA Batteries Any Time, Any Place or Use to Power
Other Devices Via USB

PMA 2010, Anaheim, CA - ToCAD America inc. announces its new Sunpak SC-2AA solar charger for use with included 2 AA rechargeable NiMH batteries. The SC-2AA combines a solar charger and USB charger in one for charging on the go, anytime. The SC-2AA will be on display at PMA 2010, February 21 – February 23 at the Anaheim Convention Center, **Booth 2258**.

Go Green with the Sunpak SC-2AA AA charger by harnessing the power of the sun for all your USB devices: iPod, PDA, GPS, MP3 Players and games. The SC-2AA Solar Charger can charge all your USB devices over and over using sunlight or USB power sources. It includes two high-powered AA NiMH 2650mAh batteries for your camera, flashlight or other electronic equipment. Great for traveling, camping and on the go. Never be without USB or AA batteries again. Convenient carry hook for backpack or purse. Standard USB connector and power in/out selector switch. And in has a build-in stand too!
