

Sunpak

Digital 3.5" PocketPix

Highlights

The Sunpak PocketPix Digital 3.5" Photo Album makes it easy to keep your memories with you all the time. With its high resolution TFT-LCD panel with vivid colors, contrast and sharpness you can always have all your favorite images with you. Placed in an ultra-soft pouch makes it an easy accessory to keep and carry. When it comes to setup, the top edge controls make it simple to show and view all your images in an automatic slideshow mode or just one at a time. Just upload your favorite images to the internal 128MB memory or load them on to a SD, SDHC or MMC card with different images and switch them out.
